**Re: Fee Filing (Code MGR) - \$100.00 Check Enclosed
KIOX-AM, Bay City, Texas; Request Extension of STA
8910-MB; Stop Code 1800B2**

Dear Sir or Madam:

This letter is written on behalf of North Star Communications, Inc., licensee of KIOX-AM, Bay City, Texas. KIOX is currently under special temporary authority ("STA") to operate with parameters at variance while maintaining monitor points within authorized limits. Discovery of array instability problems prompted the request for STA. That STA is currently set to expire on August 31, 1993. North Star hereby requests an extension of that STA for an additional 60 days.

North Star has diligently concentrated on determining the reason for the array instability.^{1/} North Star conducted numerous repairs in connection with these efforts (which have previously been set forth and will not be repeated here). At this point, all physical improvements to the antenna system have been completed. All monitor points are within authorized limits, including monitor point number 4. North Star hoped to be able to complete these repairs well in sufficient time so as to be able to fine tune the array, conduct a partial proof and prepare and file the Form 302 prior to the expiration of the STA. Its efforts were hampered, however, due to an injury sustained by the station's chief engineer which severely restricted his movement and necessary tower painting.

Accordingly, North Star requests a sixty day extension of time within which to complete these few remaining tasks.

^{1/} As set forth in previous extension requests, its efforts were continually frustrated by long periods of heavy rain.

Enclosed is a check in the amount of \$100.00 in payment of the filing fee as well as the Commission's Form 155. The applicant previously submitted an anti drug abuse act certification.

Should any questions arise in connection with this matter, kindly contact the undersigned.

Respectfully submitted,

**RE: Fee Filing (Code MGR)
\$100.00 Check Enclosed
KIOX-AM, Bay City, Texas
Request Extension of STA, 8910-MB; Stop Code 1800B2**

Dear Mr./Ms.:

This letter is written on behalf of North Star Communications, Inc., licensee of KIOX-AM, Bay City, Texas. KIOX is currently under special temporary authority ("STA") to operate with parameters at variance while maintaining monitor points within authorized limits. Discovery of array instability problems prompted the request for STA. That STA is currently set to expire on March 15, 1994. North Star hereby requests an extension of that STA for an additional 45 days.

North Star has diligently concentrated on determining and correcting the reason for the array instability.^{1/} North Star conducted numerous repairs in connection with these efforts (which have previously been set forth and will not be repeated here). At this point, all physical improvements to the antenna system have been completed. All monitor points are within authorized limits, including monitor point number 4. North Star hoped to be able to complete a partial proof and prepare and file the Form 302 prior to the expiration of the STA after completing some required fine tuning. North Star's consulting engineer was taken ill over the holiday season, however, and is only just now returning to work. His input is necessary to the preparation and completion of the Form 302. As a result of time lost, it will be impossible for North Star to prepare and file the Form 302 prior to expiration of the STA.

^{1/} As set forth in previous extension requests, its efforts were continually frustrated by long periods of heavy rain.

Federal Communications Commission
March 8, 1994
Page 2

Accordingly, North Star requests a forty five (45) day extension of time. Enclosed is a check in the amount of \$100.00 in payment of the required FCC filing fee as well as the Commission's Form 155.

Should any questions arise in connection with this matter, kindly communicate directly with the undersigned.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "H. J. Barr", with a stylized flourish at the end.

HOW TO SUBMIT APPLICATIONS AND FILINGS

- o Each application or filing should be assembled with the Fee Processing Form, FCC Form 155, stapled to the top of the application with the check placed on top of the Fee Processing Form. **DO NOT STAPLE THE CHECK TO THE APPLICATION OR FEE PROCESSING FORM, FCC FORM 155.** Required copies of applications should be clearly identified as "duplicate copy" and placed behind the original package. "Stamp and receipt" copies should be placed on top of the original package and **CLEARLY** identified as return copies. Extraneous material and extra copies should be avoided at all times. Failure to follow these instructions will delay the processing of your submission.

Deliveries made after midnight on Fridays will not be "officially" accepted until the next Monday. Applications received on weekends and government holidays are dated the next regular business day.
- o A single check, bank draft or money order made payable to the Federal Communications Commission and denominated in U.S. dollars and drawn upon a U.S. financial institution must be included with each application or filing requiring a fee. No postdated, altered or third-party checks will be accepted. Do not send cash.
- o Parties hand delivering applications or filings may receive dated receipt copies by presenting copies of the applications or filings to the acceptance clerk at the time of delivery. Receipts will be provided for mail-in applications or filings if an extra copy of the application or filing is provided along with a self-addressed stamped envelope. Only one piece of paper per application or filing will be stamped for receipt purposes.

REMEMBER

- o A separate completed Fee Processing Form is required with each application or filing except in certain circumstances. Please refer to the appropriate Fee Filing Guide for additional information.
- o A wrong Fee Type Code or incorrect remittance may result in your application or filing being returned without processing, or result in the denial of your application or filing. Please ensure that **FEE TYPE CODES** are correct and that your check or money order equals the amount shown in the **TOTAL AMOUNT REMITTED WITH THIS APPLICATION OR FILING** block before submitting your application or filing.
- o If you have any questions completing this form, please call the Fees Helpline, 202/632-FEES.

This is in reference to attorney letter dated 3/8/94. Authority and terms in special temporary authority granted 11/18/91 extended through 7/15/94. Understand the licensee hoped to be able to complete a partial proof and prepare and file the form 302 prior to the expiration of the STA after completing some required fine tuning. The consulting engineer was taken ill over the holiday season and is only just now returning to work. His input is necessary to the preparation and completion of the Form 302.

INSTALLATION OF REMOTE PICK-UP ANTENNA ON TOWER ONE

DURING THE WORK AND PREPARATION OF THIS REPORT, IT WAS NOTED THAT THE MOST RECENT (1985) ANTENNA PARTIAL PROOF OF PERFORMANCE REPORT CONTAINED NO MENTION OF AN RPU ANTENNA MOUNTED ON THE KIOX[AM] NUMBER ONE TOWER. THE APPLICATION FOR AUTHORITY TO DETERMINE OPERATING POWER BY THE DIRECT MEASUREMENT WAS GRANTED APRIL 1, 1986.

THE REMOTE PICK-UP LICENSE' CALL: KB-97120, FILE NUMBER BLNRE-860107MG, EFFECTIVE DATE WAS MAY 6, 1986.

NORTH STAR COMMUNICATIONS WAS NOT THE LICENSEE OF KIOX[AM] AT THIS POINT IN TIME. THE FILING OF APPLICATION FOR ASSIGNMENT OF LICENSE TO NORTH STAR COMMUNICATIONS INC., WAS ACCEPTED ON JUNE 10, 1988.

IT IS DUELY NOTED THAT DURING 1986 THE PREVIOUS LICENSEE HAD REQUESTED AND RECEIVED A SPECIAL TEMPORARY AUTHORITY TO OPERATE WITH PARAMETERS AT VARIANCE. AN EXTENSION WAS REQUESTED AND A SHORT TERM EXTENSION WAS GRANTED. NO FURTHER INFORMATION COULD BE FOUND IN STATION FILES, OR THE COMMISSIONS RECORDS.
